VOLUME LIV — UKIAH CITY, MENDOCINO COUNTY, CAL., FRIDAY, AUGUST 11, 1922 — NUMBER 45

BYRNES ENDORSED BY MANY FOR REELECTION

From every side come endorsements of R. R. Byrnes, candidate to succeed himself as sheriff. Making no promises of any kind and running simply on the statement made several weeks ago that he would, if he was re-elected, continue to conduct the office of sheriff of Mendocino county along the same lines as he has always done, Sheriff Byrnes has left his candidacy with the people. However, friends of Sheriff Byrnes who believe he should be retained in office, have voluntarily come forward with the endorsements below:

San Francisco, Calif.,
August 8th, 1922.

Mr. R. R. Byrnes,
Ukiah, Cal.
Dear Mr. Byrnes:

It is with much satisfaction that I endorse your candidacy for Sheriff of Mendocino county. To one familiar with your unparalleled record in that office and with your statewide reputation as a fearless, capable officer, it seems out of place that there should be any other contenders for the office. This is not said in disparagement of the others seeking the position, but because throughout your tenure of office you have displayed those qualities which peculiarly and pre-eminently qualify to discharge its duties.

Your fearless, efficient, capable and impartial enforcement of the law commends you to the responsible, law abiding people of your county who should give you their whole hearted undivided support. To all criminals and particularly to the "bootleggers" who profit by violating the law, your candidacy is unwelcome for the faithful performance of your duties interferes with their illicit traffic and reduces to the minimum their ill-gotten gains.

It has come to my notice that the "bootleggers" are using every means at their command to defeat you. This is evidence enough that you are doing what you are paid to do—that the oath solemnly taken by you as an officer "to support the constitution of the United States and of California and to perform the duties of sheriff to the best of your ability" was no idle form. These men are fighting you, Mr. Byrnes, because you have done your full duty. The opposition of the "botleggers" and the methods they are using to beat you guarantees your election. I know this because the keen sense of justice of the Mendocino voters will cause them to rebel at the thought of turning down a faithful officer because he has done his duty. Commending you to the law abiding people of Mendocino county, I remain

Sincerely yours,
J. E. PEMBERTON.
(Attorney for Anti-Saloon League)

P. S. You have my permission to make this public if you desire.

Ukiah, Calif., August 7th, 1922

To Whom It May Concern:

We do hereby wish to state that we have pledged our full support in behalf of Ralph R. Byrnes for sheriff of Mendocino county.

Our support of Mr. Byrnes is the outcome of serious consideration, based on the record of facts as sheriff of this county, which record we consider that of an upright officer, who has administered the enforcement of all laws fearlessly and with equity.

As the largest grape growers of Mendocino county, and as the owners of what is probably the largest plant manufacturing grape product in the state of California, we have no hesitancy in making this statement public, as we feel that the principal duty of a sheriff is that of the enforcement of laws and the protection of life and interests.

Respectfully,
California Grape Products Co.
By A. PERELLI-MINETTI,
Vice-President and Treasurer.

Ukiah, Calif., Aug. 7th, 1922.

I am for re-election of Ralph Byrnes for sheriff for the simple reason that he has faithfully and fearlessly performed his duty. He has shown his ability as a sheriff and has caught every criminal that has committed a crime in this county. If he is continued in office, the lawless element will seek shelter in other climes, and as a result Mendocino county's expense account will be lessened.

I have nothing to say against either of Mr. Byrnes opponents and have a high personal regard for them. But Byrnes has made good, and a good official should be retained in office as an incentive to others to do faithful work.

J. B. SANFORD

Ukiah, Calif., Aug. 8th, 1922.

Mr. R. R. Byrnes,
Ukiah, Calif.
Dear Mr. Byrnes:

In indorsing you as candidate for sheriff of this county I do so without hesitation. Your faithful service in the position to which you aspire merits you the support of every one who has at heart the best interests of Mendocino county. The fact that Byrnes is sheriff of Mendocino county, is known to the criminal element throughout the state and is the reason why professional gunmen and daylight bank robbers who operate in the counties surrounding have kept away from here

Respectfully,
HALE McCOWEN.

HUMBOLDT SUPERVISORS PLEDGE POW-WOW SUPPORT

Evidence of the wide-spread interest in the Yo-kaya Pow-wow, to be held in Ukiah, September 18th to 25th, is at hand in a rousing resolution adopted by the Humboldt county board of supervisors and sent to the Mendocino county fair executive committee the first of this week. A representative of the fair association recently appeared before the supervisors and explained to them that the big four-county fair to be held in Ukiah next fall, is intended for Humboldt county as much as for Lake, Sonoma and Mendocino counties. This resolution was the result of this invitation. The resolution reads as follows:

WHEREAS, The Board of Supervisors of Humboldt County in session this 17th day of July A. D., 1922, is the recipient of an invitation from the Mendocino County Fair Association of Ukiah, California, to attend its first annual entertainment to be known as the Yo-kaya Pow-wow and Harvest Festival, September 18 to 25, 1922, and

WHEREAS, The plans and object of the aforesaid Mendocino County Fair Association to conduct a high class educational entertainment during the period mentioned above with a view of making for the general development of the four counties of Humboldt, Lake, Sonoma and Mendocino, have been explained to us by Brice W. Hoskins, secretary of the Mendocino County Fair Association.

RESOLVED, Therefore, that we the Board of Supervisors of Humboldt County in session this day and date above set forth do most heartily accord our endorsement of this and all other movements that are intended to aid in the general development of Northern California.

RESOLVED, Further that we extend a vote of thanks to the Mendocino County Fair Association for its invitation to the Board of Supervisors of Humboldt County to visit the Yo-kaya Pow-wow and Harvest Festival, which we unanimously accept, and that we express our commendation of this meritorious project and invite the sympathetic and serious consideration of all residents of Humboldt county in its behalf.

HUMBOLDT COUNTY BOARD OF SUPERVISORS:
(Signed): D. A. BALDWIN
E. J. FROST
R. ANDERSON
B. F. FLINT
ALEX MASSON.

HAVE ENJOYABLE TIME

Among Ukiah people now home again after a pleasant vacation are the families of Joe Weselsky and Frank Bechtol. They motored to Cleone, where they spent a week in company with Mr. and Mrs. Paul Ray, of Willits, then returned to the Weselsky ranch for the opening of the hunting season, Joe bagging a nice buck. Miss Avis Bechtol did not accompany the remainder of the party to Ukiah, but proceeded to Willits with her aunt, Mrs. Ray. Frances and Mildred Weselsky spent several days visiting their aunt, Mrs. Annie Hinkston, of Fort Bragg, returning here this week accompanied by their cousin, Madge Hinkston, who is visiting at the Weselsky home.

FRED STICKNEY INJURED

Fred Stickney, superintendent of the Caspar Lumber Company's plant, well known in Ukiah as the associate of C. D. Flowers, in the pear growing industry, escaped serious injuries by a slight margin Monday.

He was observing the moving of some logging rigging in the woods, when a line swung around and struck him on the side of the head. He was knocked to the ground and struck heavily on his shoulder, which was quite badly sprained. Had the blow been a little harder it would have probably broken his neck.

NEWSPAPER MEN HERE

Chas. Cavanagh, editor, and C. C. Cavanagh, manager, of the Fort Bragg Adovcate, were in Ukiah the latter part of last week. They were taking a motor trip through Lake county and home via Calistoga, Napa, across Sonoma county and up the coast.

REPORT ON ORPHANS

County Auditor J. J. Mathews reports that for the half year ending June 30 last eleven orphans and seventy half orphans in this country were supported by the state at a cost of $660 for the former and $3,733.50 for the latter, making a total of $4,393.50.

ASSEMBLY CANDIDATE HERE

G. M. Biggar, of Covelo, candidate for the republican nomination for assemblyman, was a Ukiah visitor this week. Mr. Biggar, although he was slow in getting into the field, is making a good fight and is meeting with much encouragement.

Construction Now Under Way At Yo-kaya Pow-wow Site

Actual work of construction of the Yo-kaya Pow-wow and Harvest Festival that is to be held in Ukiah, September 18th to 25th, on the Connolly lot at the foot of Main street, is now under way. The big lot is being cris-crossed with water and gas mains, and a tractor being used in digging trenches and leveling off the surface. Trucks are engaged in hauling tule from Lake county for the Indian village, also redwood and pine slabs that are to be used in the construction of an immense decorative fence about the entire enclosure, giving it a genuinely rustic appearance. A force of carpenters has also been engaged to build the fence and a gate at the main entrance at the foot of Main street. The high power lines that cross the lot will have to be elevated several feet in order to permit the immense tent being placed beneath the wires. From this time on the ativities of the pow-wow lot will intensify up to the opening day. The Indian village committee reports splendid progress in lining up the Indians that are to participate in this big feature. It is planned to have some special duty for each and every Indian man, woman and child, and the program for the Indian village will be replete with interesting features.

The out-of-town boosting squad has been lining up a number of trips for the near future. Twenty-five or more went to Upper Lake Wednesday evening of this week to attend a dinner arranged by the citizens of that community who were desirous of learning the details of the pow-wow program. Early visits to Round valley, Mendocino, Point Arena and Anderson valley are planned. It is also expected that a special train excursion will be arranged from Ukiah to Fort Bragg some time this month. In the event the necessary arrangements can be made with the Northwestern Pacific railroad company, the business men of Fort Bragg have extended those of Ukiah a very cordial invitation to be their guests for one day, and promise a program and fine entertainment.

Letters from Gov. William D. Stephens, and Mayor James Rolph of San Francisco, received this week, reiterate their intention of visiting Ukiah during the big four-county fair. There will also be a number of other celebrities invited, who it is expected will be present. A committee from the Santa Rosa lodge of Elks visited Ukiah to confer with local Elks regarding plans for Elks' day at the pow-wow. This will be one of the feature days of the program, and Elks from all points of the north of bay district and bay cities are expected to attend.

GAMBREL TAKES FIRST IN WOOL COMPETITION

Several months ago an ad appeared in the Dispatch-Democrat offering a prize of $200 for the best fleece of wool grown in a section composed of northern California and Nevada. The contest was put on by Chas. J. Webb Sons, a prominent wool firm of San Francisco. Ed Gambrel, of Ukiah, saw the ad and resolved to win the palm for Mendocino county. "I'm going to get that prize. There's nothing to it," he remarked at the time the ad appeared, and he has made good. This week he received a check for $200 and a letter from the firm stating that he had won first prize.

The fleece was grown on the Gambrel ranch in the lower part of the valley and was from one of the fine Ohio Delaine sheep raised by Mr. Gambrel.

Mr. Gambrel's pride in his achievement is shared by Mendocino county at large.

L. Heckendorf Dies as Result of Injury

L. Heckendorf, who was brought to town seriously injured as the result of an automobile accident Thursday of last week, died from his injuries Saturday morning. The funeral was held Tuesday.

The deceased was a native of Germany and was born January 25, 1850. He came to Mendocino county in 1888, and was in business in Calpella for some time, following which he engaged in ranching in Coyote valley.

He leaves to mourn his passing a widow and eight children, as follows: August, of San Jose; William, of Willits; Harry, of Laurel Dell; George, of Kerby, Oregon; Chas., of Ukiah; Mrs. Emma Shearer, Miss Lily, and Mrs. Paul Scammon.

He was a respected pioneer whose passing brings genuine regret to his many friends and whose family have the sincere sympathy of the community in their sorrow.

WILL ATTEND WEDDING

Mrs. W. S. Bevans, of Potter valley, was in Ukiah Tuesday en route to Martinez, where she will attend the wedding of her niece, Miss Helene Holbrook, who is to be married this evening at 8 o'clock to Mr. Edward Harrison, of Berkeley.

The wedding will also be attended by Mrs. J. M. Roberts, of Santa Rosa, a sister of Mrs. Bevans, who will join her for the trip to Martinez.

Miss Holbrook is the younger daughter of former County Recorder E. E. Holbrook, and has a large number of friends here who will be interested to learn of her nuptials.

PLANE FORCED TO LAND AT UNION

FORT BRAGG, Aug. 9.—A large government airplane, piloted by Lieutenant R. E. Seiff, was forced to make a hurried landing in Ira Thompson's wheat field at Union Landing Friday afternoon.

Seiff was on his way from Seattle to San Francisco. He got lost in the fog and came out near Sacramento. Returning to the coast he appeared off Union Landing and was forced to land on account of running out of gasoline. The running gear of his machine was broken when he hit the wheat field.

MRS. W. K. DILLINGHAM ANSWERS DEATH'S CALL

Mrs. W. K. Dillingham passed away last Sunday night at Boonville, following an illness of several months' duration. The funeral was held Tuesday and was attended by a large assemblage of those who knew and loved this very estimable woman.

Mrs. Dillingham was formerly Miss Mary Burger and was the daughter of Mr. and Mrs. George Burger, former pioneer residents of the Anderson valley section.

Mrs. Dillingham, who resided in Ukiah for many years, her husband having served as superintendent of schools and as tax collector and also as principal of the local grammar school, had many friends here who learn of her death with great regret and who join in extending sympathy to the relatives.

She leaves her husband and one son, George.

SHOOTING AT CASPAR

Jack Rutland, aged 18, shot Ed Raschke at Caspar last Tuesday evening following a quarrel of several days' duration. The two men were working in the mill. After words Raschke offered to fight Rutland and his father, one at a time, and the three men left the mill to settle their differences. Raschke charges that Rutland pulled a revolver and shot him once through the arm. He turned to run and Rutland then shot him in the back, the bullet penetrating his stomach and lodging under the skin of his abdomen. Hopes are entertained for his recovery. Rutland is being held pending the outcome of the case.

POULOS VICTORIOUS

Paul Poulos, local wrestling champion, was successful over his opponent, Tony Muscato, in an evenly matched series of falls last Monday evening at the Victory theatre. Muscato had the most strength of the two men, but Poulos was far the quicker. He put Muscato down in about 17 minutes for the first fall and in about 35 for the second.

Muscato wants another match in a few weeks.

KANGAROO COURT MAKES BIG HIT WITH PEOPLE

One of the livest features to popuralize and advertise the Yo-kaya Pow-wow developed up to this time is the Kangaroo Court, presided over by Judge Bertrand Leander Cleland, in tri-weekly sessions. The first session of the court, held at the city hall Tuesday evening, attracted an audience that over-taxed the capacity of the auditorium, and dozens of persons desiring to witness the performance were disappointed by being unable to obtain standing room. The second session was staged at Cleland's hall, and attracted another group of several hundred. The misery wagon manned by a uniformed staff of Keystone cops created interest and excitement that bordered on hilarity in the downtown district preceding the hour for opening court.

The eagle-eyed "ossifers" let no guilty person escape arrest. Prosecutor Hale McCowen, Jr., has not lost a case up to this writing, and Public Defenders M. H. Iversen and Charles Kasch are making good their promise not to win a case during the term of the Kangaroo court. Sheriff Harry Cameron and his squad of coppers are distinguishing themselves for inefficiency and all around punk policing. To Elmer Gibson fell the honor of being the first person arrested and incarcerated in the hoosgow. He was later arraigned in court and fined two queen tickets for failure to provide himself with a feather for his hat. Elmer protested his innocence and declared that he had been a victim of a frameup, some one having stolen his feather "while he was not looking."

The Santa Rosa Elks who visited Ukiah Tuesday evening, received the attention of the pow-wow police department and the Kangaroo court, and were "soaked" frequently and strenuously by "Hizzoner."

FORT BRAGG NOTES

FORT BRAGG, Aug. 9.—Walter C. Hansen, 27, of Mendocino, and Myrtle M. Wainwright, 25, of Albion, were married Thursday afternoon in Santa Rosa by the Rev. E. E. Ingram of the Presbyterian Church.

Both are popular and well known people of this coast and their many friends will wish them much happiness.

L. H. Smith, who suffered a lapse of mind for twenty-eight days during the month of July, has made wonderful improvement during the past week. He has practically regained full control of his mental faculties and will probably assume his duties at the local railroad office this week. Smith is now able to recall minute details concerning his stay and work in Willits.

Willits defeated the reorganized local baseball team on the valley diamond Sunday to the tune of 9 to 3. Although the score seems a little one sided, the contest was interesting—especially up to the sixth inning. It was a pitchers' battle till then. Fisher got sick going over on the train but he did fine work in the box, striking out nine men up to the sixth, when he got weak and left the box. At this time the game stood 4 to 3 in favor of Willits. Comstock went in the box for Fort Bragg and Willits immediately started to run up the score. Lockhart pitched the last inning, blanking Willits. Lawson of Willits also did exceptionally good work in the box, striking out seventeen local batters.

Fort Bragg got five hits, against Willits' eight.

Matson B. Jones is Likely Democratic Nominee for Governor; Platform Similar to Richardson

DILLON BEACH, Tomales, Cal., August 9.—The attitude in the democratic party is rapidly clearing up as far as the governoship is concerned. At first there was a unanimous desire to nominate Senator James D. Phelan, but he has declined to become a candidate, evidently preferring to take Shortridge's scalp in 1926. It would be an injustice to attempt to draft the senator now, as he would not have time to formulate his plans and perfect an organization. With Phelan out of the way, the nomination is conceded to southern California, and the north is willing to accept whomsoever the south may name. Present indications are that Mattison B. Jones is the choice of the south for the honor, as he seems to be the best equipped man for the position. He has the force, pep and punch to put up a good fight. In his platform he makes it plain as to how he stands on matters. There are just two big issues—First, SMASH the state machine; second, REDUCE the taxes.

All candidates stand for good government in a general way, desire better schools and wish to take care of our state institutions and give an upward tendency to all things within control. The present state machine is backing Governor Stephens for reelection, who will have served, at the close of this term, six years as governor. He has perfected a machine that causes the old Southern Pacific machine to pale into insignificance when it comes to abject subserviency and criminal waste of the public funds. The old machine could not in its palmiest days hold a candle to what we now have, hypocritically created in the name of the Lord. State taxes have climbed from a biennal budget of 47 millions of dollars in 1917 to 91 millions in 1921, an increase of nearly 100 per cent. The governor makes no promises that he can, or will, reduce taxes. But his chief spokesman, Chester Rowell, of the Railroad Commission, is out in a statement in a syndicate letter to the effect that taxes will not be reduced during the lives of any of the present generation. An appalling admission and a hopeless condition for the overburdened taxpayer, for four years, if Stepehns is reelected. If Stephens does as well in the future as he has in the past, the taxpayers may expect a biennal budget of over 175 million of dollars.

Governor Stephens is powerless to relieve the taxpayers. He cannot get rid of the machine, and if he did the machine would raise its supercilious eyes to heaven and say "remember now thy creator." By the "commission form" of government, a commission of three or five persons now do the work formerly performed by one person, and the spare time is spent in traveling over the state, at state expense, telling the people what a wonderful government we have, and incidentally expanding the machine by putting on a few more "helpers."

The hope of the taxpayers goes glimmering if Stephens if remominated and elected. There is a last clear chance if the democrats nominate Mattison B. Jones for governor. His first pledge is that he will SMASH the machine; second, that he will reduce the taxes. The machine men are under no obligations to him, so he can "cut their throats." Therefore he can and will reduce the taxes, by cutting from the payroll every political bum and taxeater on the list. As there are over five thousand of such "useless ornaments" drawing a salary of about $1600 per year, he can cut the biennal budget over 16 millions of dollars the first two years on this item alone, which looks better to the taxpayers than an increase of 56 millions, ala Stephens. The democrats should take a chance on Jones and give him the nomination.

* * * *

Friend Richardson's Candidacy.

Friend Richardson who is making a fight for the republican nomination on a platform of economy is making some headway in his party and is attracting the attention of the taxpayers. Richardson is a good man and should receive the nomination. If he should win the republican nomination and Jones secure the democratic nomination, the taxpayers would be safe whoever was elected.

Richardson is making a close canvass and has some 200 newspapers backing him. He is fighting the machine and has a big job on his hands. The question is which has the most influence with the republican party, the machine or the taxpayers. Richardson is not mincing his words at all and he has the facts and records to prove his statements.

Some of the papers are going after Stephens pretty strong. He is referred to as what would be a typical "mollicoddle," according to Roosevelt's acceptation of that term, and as a nice "old man," without any initiative whatever, and simply run by the machine. The deadly parallel drawn between Richardson and Stephens is as follows:

RICHARDSON, as state printer, cut the payroll in half, cleaned out the shack and furnished state text books and other state printing at just ONE-THIRD of the former cost. As state treasurer, he has pursued the same course and is transacting today FOUR TIMES the volume of business with the same force he began with eight years ago. A record of accomplishment and economy!

STEPHENS, as governor, has more than DOUBLED the state payroll and increased the state budget over 56 millions of dollars. A record of inefficiency and criminal waste of public funds!

Mr. Taxpayer, which one of these men will you nominate?

HOPLAND NEWS OF PAST WEEK

HOPLAND, August 8.—A barn owned by Fred Allenbest and rented by Ray Houston was completely destroyed by fire last Sunday at midnight. A calf owned by Orville Grant was burned and about five tons of hay belonging to Mr. Houston. The fire was discovered by Mrs. Shimmin, who gave the alarm.

The electric pump owned by Mrs. Hixon helped wonderfully to keep the fire from spreading. The origin of the fire is unknown.

The rodeo given Sunday was a success and many people came down from Ukiah. Sonoma county was also well represented among the spectators. The last bull ridden caused quite a fervor by throwing his rider and breaking through the fence and line of spectators and ran down the highway. The rider was lucky enough to escape with a scalp wound.

Mrs. Carl Lambert has gone for a week's visit to San Francisco.

Mr. and Mrs. Perry and family of Cloverdale were Sunday visitors at the A. J. Seward home.

Mrs. Frank Tolman has gone to Willits for a week's visit with her son Clifford Steele and family.

Mrs. Lizzie McCoons of Santa Rosa but formerly of this place, came up with her two children to visit at the R. L. Buckman home this week.

Miss Dorothy Duncan of Berkeley came up Sunday to visit her grandparents, Judge and Mrs. Clendenin.

FRED C. HANDY

Should be supported by Mendocino county voters, regardless of party, because he stands for forward-looking, sane and helpful legislation only.

Fred Handy has been entrusted with many important duties and has fulfilled each with gratifying results.

It has been years since Mendocino County has had the state senatorship and this year Mendocino county should in justice have such a privilege.

Endowed with a broad business vision, understanding the needs of the farmer and rancher and possessing a natural bent along irrigation lines there is no one more fit to represent the district.

Here at home is where Fred Handy has a right to expect a solid vote and it cannot be obtained, unless his friends and neighbors interest themselves in his cause.

The needs of Northern California are known perfectly to Mr. Handy and he has pledged himself to strive and see that legislative aid is provided.

This advertisement is placed in all the newspapers of Mendocino county by friends, regardless of party, who believe Mendocino will be benefitted greatly by the election of Mr. Handy

NEWS NOTES FROM COVELO

COVELO, Aug. 9.—Last Monday Geo. Griffith killed one of the largest bucks ever known to have been killed here. It was a black tailed deer. Even the old time settlers do not remember to have seen one so large killed near this vicinity.

Hugh McCombs also killed a buck that according to report was as large as the one killed by Mr. Griffith.

James Hurt an elderly gentleman had quite a tussle recently with a forked horn buck. He was out on the hillside knocking off manzanita berries with a club for his hogs. His dog ran into the brush and chased out a deer which ran between two bushes where Mr. Hurt was standing. He struck the deer a blow on the head with the club knocking it down. It sure was a tussle, first one on top and then the other. Remarkable for a man of his years. The dog finally came up and helped him and Mr. Hurt got his knife out and cut the deers throat.

Mrs. Ray Baker and small son of Santa Maria are here visiting at the home of her parents, Judge Redwine and wife. Mrs. Guy Redwine, who accompanied Mrs. Baker up from Ukiah, returned to her home today.

Rev. C. Ford and family departed for Willits Friday.

Arthur Saunders, also of Santa Rosa, is visiting his sister, Mrs. Lowry.

Mrs. Alice Hall of San Francisco is here for a short visit with her parents, Mr. and Mrs. Marshall Spurlock.

Sheriff Carter of Alameda county and wife and Mr. and Mrs. Taylor are here visiting at the home of Mrs. Davis.

Mrs. P. Baker is enjoying a visit from her brother Mr. Ebrehardt a university student.

Although an unusually warm day on account of the fire in the foothills those who attended the dairymen's picnic report an enjoyable day.

B. Watson and A. J. Berkovits, candidates, are here making the acquaintance of the Round valley voters.

Lester Fitzhugh and wife are here from Willows visiting his brother Wm. Fitzhugh and family.

Mart Hoxie of Shively spent several days here last week visiting his mother, Mrs. Hoxie and other relatives.

Mrs. Gela Griffith and children returned to their home in San Francisco the first of last week.

Mrs. Walter Hargreaves and daughter have returned to their home in Oakland. Dr. Hargreaves will remain here for a few weeks longer.

L. O. Sallady, wife and Beatrice Updergraff motored up from Ukiah yesterday.

Mrs. Hoxie and Miss Virginia Gibson left this morning for Shively on a visit to Mrs. Hoxie's son and family.

Mr. Hemenway's new garage is now under construction. Men on the job are Maybert Lovell and Byron English.

Miss Lorena Riffe left Friday for Strong, Humboldt county and Miss Loretta Riffe to Santa Rosa, where they go to take charge of their respective schools.

Mr. and Mrs. Chester Cox and Mr. and Mrs. Lynn Foster and their families returned the first of the week from a three weeks' motor trip to British Columbia. They report a very interseting and enjoyable trip.

Mr. Edmands, state chaplain of the American Legion, was a Ukiah visitor this week, being a guest at the home of Robert Puett, of whom he is a cousin. The two had not seen each other for some forty years.

H. H. McKinney, a former resident of this valley, was here the latter part of last week and the first of this for a visit with his parents, Mr. and Mrs. P. E. McKinney. He is with the U. S. department of agriculture in the East.

"Rush Hours"

In all lines of business patronage is irregular. Street cars, stores, banks and restaurants have their "rush hours" when some delays in service are unavoidable. The public, with the situation before its eyes, good naturedly accepts a degree of inconvenience.

There are "rush hours" in a telephone exchange. With business service the "loads" of telephone traffic are determined by commercial activities, banking hours, etc.—the "load" of the residence telephone varies with household and social needs.

The demands upon the telephone operator and a complicated mechanical equipment cannot be seen, but telephone traffic varies in every hour of every day according to the individual desires of thousands of patrons.

If there should be at times a delay in answering your call, remember that trained young women with nimble fingers are doing their best to serve you, and that at the moment there may be a "rush" of telephone traffic.

The exercise of patience and consideration will mean better service.

The Pacific Telephone And Telegraph Company

QUICK WIT OF OPERATOR SAVES WOUNDED WOMAN

A flash of a signal lamp on the switchboard of the telephone exchange at Richmond Hill, one of the semi-suburban sections of New York; a silence as the operator "plugged in" in response; a little quick thinking on the part of this guardian of the wires; resolve transformed instantly to action—these are the steps in a rapidly moving drama in which Mrs. Amy Petitt recently played a role that was all but tragic.

Realizing that something was wrong, the operator tried to get into communication with the subscriber, but without avail. Then she connected the line through to police headquarters, reporting the circumstances. As the police operator listened he heard a woman's voice scream, "My God, he shot me." In a few minutes a patrol automobile was speeding to the address from which the call had come, where the officers found Mrs. Petitt huddled in a chair with a bullet wound in her upper arm. While being treated at a nearby hospital she became delirious and her condition was pronounced critical.

George Richardson left this week for San Francisco to bring home Miss Carrie Garsey, who has been taking treatment in a San Francisco hospital for several weeks.

Protection for Jewelry, Plate and Papers

MANY homes maintain a standing invitation to the burglar by leaving around the house, entirely unprotected, valuable jewelry, papers, silver and keepsakes.

And yet for only a few cents a week security can be had against theft and destruction.

A safe deposit box in our fire, flood and theft proof vault solves this problem. We'll be glad to have you solve it today by making use of our safe deposit facilities.

ENDORSED FOR REELECTION

(Continued from page 1.)

Ukiah, Calif., July 31, 1922.
Mr. R. R. Byrnes,
Sheriff, Ukiah,
Mendocino Co., Calif.
My dear Byrnes:

I note with pleasure that you are a candidate for re-election to the office of sheriff of Mendocino county.

Without any desire or intention to flatter you, I will say that not only the people of Mendocino county but of the entire state are fortunate in your consent to serve them in that capacity. Since the modern development of facilities for travel your services are by no means confined to that county as you have to deal with law breakers from everywhere.

Having had the pleasure of serving in an official capacity with you where our duties were intimately allied, I know your value in your present position better than most anyone else. Your inborn understanding of human nature, fairness to those with whom you deal, your energy, alertness and courage qualify you most especially for the position you hold. The devotion to the duties of your office which you have so fully shown entitles you to the whole-hearted support of the people in that county. I hope every friend of mine will vote for you.

I wish you a glorious victory.

You may show this letter to any of my friends or acquaintances if it will be of any assistance to you or you may publish it if you wish to.

With cordial regards, I am
Sincerely yours,
ROBERT DUNCAN

Ukiah, Calif., August 7th, 1922.
Ralph Byrnes, Esq.,
Ukiah, California,
My dear Ralph:

While spending the summer at my old Mendocino home I learned that you were again an active candidate for re-election.

You know full well I have always refused to interfere in any political controversies since I moved my voting residence to San Francisco, but I cannot refrain from expressing my admiration for your remarkable record as sheriff of Mendocino county. It is well known throughout California that your record as sheriff is one of the most unique that California has ever known.

The long list of criminals run to earth and convictions secured, is without an equal among the counties of this state.

I have personal friendship for your opponents in the race but on the grounds of public merit and remarkable accomplishments in public office, I do not see how the people of our own good county can fail to endorse your record.

With best wishes for your continued success, I beg to remain,
Sincerely yours,
J. L. McNAB

San Francisco, July 31, 1922.
Mr. R. R. Byrnes,
Sheriff of Mendocino Co.,
Ukiah, California.
Dear Ralph.

Your record as a sheriff of unusual ability is known throughout the State. The Government officials in this state know it also.

You came to the front and helped the Government greatly during the war, of which fact I have personal knowledge.

What you have done in putting Mendocino county to the front as a law enforcement county is known so thoroughly, that I should think that anxiety for your re-election should come from the law-abiding citizens of the county, rather than from yourself.

I can think of the loss of no officer that would be more keenly felt than your own retirement.

To my mind your re-election should be made easily and by an overwhelming vote.

Sincerely,
JOHN W. PRESTON

Last Saturday as O. P. Wells was coming down the Wilbourn hill he saw Mr. Crane, the school contractor coming up the county road. Prof. Nelson stated that the average farmer was only gettinng 60 per cent of what his farm was capable of producing.

Mr. Biggar of Round valley told of the great work the Farm Bureau has done for Round valley. Mr. Biggar is a merchant and farmer. He is a candidate for the assembly. His sensible and modest talk made a very favorable impression with the audience.

Farm Advisor Myszka spoke very enthusiastically of the Farm Bureau nursery. Mr. Myszka stated that experiments conducted in this county showed double yields of wheat where the smut was controlled by copper carbonate dust instead of blackstone or formalin.
